

**Testimonials for Sydney Marquis Event 2009 registrants:**

*"Expert presenters with an obviously deep and broad experience in their topics turn didactic courses into an enlightening and encouraging confirmation of clinical practice."*

Michael James, Radiologists

Orange Base Hospitals

8<sup>th</sup> November 2009

*"A world class event."*

Phillip Janke, Diagnostic Radiologist

Hunter Imaging Group

8<sup>th</sup> November 2009

*"I found the seminar very interesting and relevant to a lot of the musculoskeletal work that we do at our practice. The content was well presented and easy to follow with fantastic live scanning of the Region along with the lecture."*

*I was able to take in a lot of new information, better my technique with musculoskeletal ultrasound. Fantastic."*

Teri Maher, Sonographer

Canberra Imaging Group

*"This was an extremely informative course. I enjoyed the revision of anatomy and scanning techniques."*

*I feel my knowledge and expertise have been greatly enhanced through attending these 2 days and I now look forward to using my new skills in a clinical setting."*

Karen Roberts, Sonographer

Kempley Hospital
